

The World Wildlife-Heritage Museum

NATIVES OF THE AMERICAS

Our Collection

Our collection of Native American art and cultural artifacts from across North America examines the history, traditions, and daily lives of Indigenous peoples from pre-Columbian times through the modern era. Through artwork, baskets, clothing, tools, and other cultural materials, visitors gain a broader understanding of the diversity of Native nations, regional traditions, and the enduring presence of Indigenous communities throughout North America.

Explore...

- Indigenous ways of life
- Native worldviews and knowledge systems
- Tools, weapons, and everyday household objects
- Basketry, beadwork, clothing, and artistic traditions

The World Wildlife-Heritage Museum
